## Wellness Plan meeting minutes.

8/8/24 6:00

In attendance we had Amber, Coach, Mrs. Bishop, Les, Cindy, Jenna, and myself.

I passed out the previous Wellness plan and the Local Wellness Policy Checklist from the DESE website. We read through the check list and looked over our current Policy. I explained for now it is nothing fancy, but it was a good reflection of Malta Bend.

The over all consensus what that it was a nice plan and checked all the boxes. I did discuss that for the future we might need to address some of the specific language in the check list for compliance. We agreed that the Malta Bend version was good and to not to change it unless it was necessary.

The group chatted for a while and the meeting concluded.
