This news sadly comes days after receiving the PRiME Center Growth Award for exceptional student growth in English Language Arts during the 23-24 school year.

During the 2022 session, the Missouri legislature passed SB 681 and SB 662, which require the Department of Elementary and Secondary Education (DESE) to rank local education agencies (LEAs) and schools using the Missouri School Improvement Program Annual Performance Report (APR) scores. In addition, DESE is required to publish a list of schools and LEAs ranking in the lowest five percent. LEAs in the list are required to inform parents and guardians of their appearance. The purpose of this letter is to inform you that Malta Bend R-V appear/s in the bottom five percent based on the 2023-2024 rating and ranking. As a result of this ranking, the Malta Bend R-V school district is/are providing and/or will provide the following options to students:

- After school tutoring Tuesday and Thursday
- RTI time with teachers daily after lunch

If you have any questions please call and I would love to have a conversation about this news.
